Re: *In the Matter of the Appropriate Framework for Broadband Access to the Internet over Wireline Facilities*, et al.; CC Docket No. 02-33, et al.

Dear Secretary Dortch:

The Arizona Corporation Commission ("Arizona Commission") hereby submits the following errata filing to make two corrections to its Petition for Reconsideration which was electronically filed on November 16, 2005 in the above-captioned dockets.

On page 3, line 4, "Title II" should be inserted before the words "telecommunications service"; and the term "information service" should be replaced with "as a non-common carrier service."

On page page 6, line 3 under subpart B, the term "an 'information service'" should be replaced with "a non-common carrier service"; and "Title II" should be inserted before the term "telecommunications service."

Very truly yours,

/s/ Maureen A. Scott
